SUMMARY

Craftsman turned developer. Former automotive precision technician with 10+ years of hands-on experience, now building full-stack web applications. Self-taught since 2022 — shipped a mobile app (GesinFlot), built a homelab from scratch, and now looking for the right team to grow with.

PROFESSIONAL EXPERIENCE

Junior Developer GesinFlot	Spain 2025
- Developed Android mobile application using Android Studio and Java. - Designed UI/UX flows and integrated REST APIs for fleet management features. - Built and signed APK releases for internal distribution.	
Senior Body & Paint Technician Grupo Marcos — Body & Paint	Orihuela, Spain 2017 — 2024
- High-precision automotive body repair and refinishing for multi-brand vehicles. - Coordinated repair workflows and quality control across a team of technicians. - Built habits of precision, attention to tolerances, and systematic problem-solving.	
Mechanic & Paint Technician Renault Trucks & Multi-brand	Spain 2012 — 2017
- Commercial vehicle repair, painting, and diagnostics across multiple brands. - Developed systematic diagnostic approach and first-principles fault isolation.	

EDUCATION

Advanced Technical Certificate — Web Application Development EFA El Campico	2023 — 2025
- Full-stack web development: HTML, CSS, JavaScript, TypeScript, PHP, SQL. - Frameworks and tooling: Angular, Laravel, Docker, Git.	
Technical Certificate — Automotive Body & Paint IES El Palmeral	2008 — 2010
